Civil Action No: 3:11-cv-222-HTW-LRA

Defendants

I, Hersey D James hereby declares:

I am a inmate incarcerated at Pike County Sheriff Office. And I am housed on Dormitory B-Block. When I came in I was issued a mattress with the cushion taken out with only a thin layer in it. Therefore, sleeping on this mattress is like sleeping on nothing but, a steel rack. I wasn't issued no sheets, nor pillow. Inmates at P.C.S.O. don't get evaluated when your are booked in by a physician. Inmates breath constant dust and germs from the dirty vents with inch thick dust, that's never cleaned.

I declare under penalty of perjury that the foregoing is true and correct. Executed at Magnolia Ms. on May 18, 2011.
